High In The Sky

WHAT Wine and Dine In The Sky
WHERE Penthouses of SENI Mont' Kiara and Tiffani by i-ZEN
WHO CAME Datin Seri Azimah Othman and Dato' Seri Ismail Shahudin

THE PRIVATE PREVIEW OF THE NEWLY unveiled penthouses of **SENI MONT' KIARA AND TIFFANI BY I-ZEN** was as exclusive as the venue itself. Jointly organised by Ireka and co-partners American Express, Bang & Olufsen, Xtra Furniture and Lightcraft, the guests consisting of Amex Platinum and Maybank Private Banking guests enjoyed a tour of the fashionable penthouse. The light and easy theme for the night continued with a good spread of authentic Japanese cuisine and light jazz music. As they lounged by the penthouse's private pool and relished the mesmerising night view of KL city, all agreed it was a Wine and Dine In The Sky experience indeed.
