

Ireka awarded RM232m job

PETALING JAYA: Ireka Corp Bhd's wholly-owned subsidiary, Ireka Engineering & Construction Sdn Bhd (IECSB), has received a letter of award from Transmission Technology Sdn Bhd for a RM232.75mil contract.

It told Bursa Malaysia that it was for architectural as well as mechanical and electrical works on the proposed offices and hotel development in Kuala Lumpur.

IECSB received the letter of intent from Transmission Technology for its appointment of IECSB as contractor in November last year.
